2. USE OF 911 SERVICES

911. Crexendo 911 service is different from traditional 911 and cellular/wireless 911 services. Dialing 911 may differ depending on where you are located, and the device used, when using your Crexendo service. Please see the full terms of the Crexendo 911 policy at www.crexendotelecom.com/e911-policy.

When you dial 911 your Crexendo phone number and registered address are sent to the local emergency center serving your location, and emergency operators have access to this information in order to send help and call you back if necessary. When you dial 911 local emergency operators answering the call may not see your Crexendo telephone number or your registered address. The emergency center may not be equipped to receive, capture or retain your Crexendo telephone number and registered address, so you must be prepared to give them this information. Until you give the operator your phone number, he/she may not be able to call you back or dispatch help if the call is disconnected, dropped or otherwise terminated.

We require you to provide the physical address where you will be using our service for 911 purposes. This address is used to route 911 calls to your local emergency center. When you initially provide your physical address, it can take up to 24 hours to verify your address and activate 911 services at this address. It is

advisable to have alternate 911 services until your 911 service has been activated and you have been notified by Crexendo of that activation. If you move this device to another location, you must update your address. The location must be in an area served by Crexendo. You may register only one location at a time. If you do not update your location, your 911 calls may be sent to an emergency center near your old address. There may be an additional delay of up to 24 hours after you notify Crexendo of the device having been moved.

If you have selected a service that enables you to utilize the same telephone number for two different devices you may be required to use an alternate service to contact local 911 service. 911 will only work at the location where the device is located. Please note that our 911 Dialing service will not function in the event of a broadband or power outage or if your broadband, Internet Service Provider (ISP), or Crexendo phone service is terminated.

YOU AGREE TO NOTIFY ANY POTENTIAL USER OR AGENT OF THE SERVICES, WHO MAY PLACE CALLS USING THE SERVICES OF THE 911 LIMITATIONS DESCRIBED HEREIN

YOU ACKNOWLEDGE THAT E911 SERVICE HAS CERTAIN CHARACTERISTICS THAT DISTINGUISH IT FROM TRADITIONAL, LEGACY, CIRCUIT-SWITCHED 911 SERVICE. THESE CHARACTERISTICS MAY MAKE E911 SERVICES UNSUITABLE FOR SOME CUSTOMERS. CUSTOMER SHOULD CAREFULLY EVALUATE CUSTOMER'S OWN CIRCUMSTANCES WHEN DECIDING WHETHER TO RELY SOLELY UPON E911 SERVICE. CUSTOMER ACKNOWLEDGES THAT IT IS CUSTOMER'S RESPONSIBILITY TO DETERMINE THE TECHNOLOGY OR COMBINATION OF TECHNOLOGIES BEST SUITED TO MEET CUSTOMER'S EMERGENCY CALLING NEEDS, AND TO MAKE THE NECESSARY PROVISIONS FOR ACCESS TO EMERGENCY CALLING SERVICES (SUCH AS MAINTAINING A CONVENTIONAL LANDLINE PHONE OR WIRELESS PHONE AS A BACKUP MEANS OF COMPLETING EMERGENCY CALLS). IN ADDITION TO THE LIMITATIONS SET FORTH IN SECTION 11 OF THIS AGREEMENT, THE CHARACTERISTICS DISCUSSED ABOVE DISTINGUISH E911 SERVICE FROM TRADITIONAL, LEGACY, CIRCUIT-SWITCHED 911 SERVICE.

You will be required to sign a 911 Disclosure Form. You acknowledge that information has been provided to you and that you agree to those terms.

3. TYPE OF SERVICE

TYPE OF SERVICE. Our service is not a traditional Telecommunications Service. Our service is provided using an Internet Protocol (commonly called Voice over Internet Protocol (VoIP), and we provide it on a best efforts basis. There are important distinctions between a traditional Telecommunications Service and our VoIP service. Our service may be subject to different regulatory treatment than a traditional Telecommunications Service and be subject to applicable [tariffs](#) and regulations. This treatment may limit or otherwise affect your rights of redress before regulatory agencies. Our service requires a high speed broadband connection which we do not provide. Events beyond our control may affect our service, such as power outages, fluctuations in the Internet, your underlying Internet Service Provider (ISP)/broadband service, the speed of your internet connection, your computer network or maintenance. We will act in good faith to minimize disruptions to your use of and access to our service.

4. USE OF SERVICE

4.1 USE. We provide our service and devices to you solely for business purposes. The following uses are not considered business uses and are not permitted: autodialing, continuous or extensive call-forwarding, inbound/outbound centralized or distributed call center activity (unless sold as a call center solution), telemarketing of any kind that is in violation of any law or regulation; fax or voicemail broadcasting and fax or voicemail blasting. You are responsible for supplying, operating, and supporting the infrastructure required to support standard SIP based Customer Premise Equipment for use with the service. Your local network must utilize a business-class firewall properly sized to your environment and capable of 1.) Traffic Shaping – allocating specific bandwidth for VoIP traffic; 2.) Disabling SIP ALG; and 3.) Quality of Service (QOS) configuration to prioritize packets based on a.) any network traffic to and from Crexendo's subnet, and b.) port ranges including but not limited to RTP audio stream and defined SIP ports. Enterprise-class applications may

require the implementation of VLAN's. Please consult your IT specialist to confirm your firewall meets these specifications. As the subscriber and operator or administrator of this equipment, you are responsible for configuring and maintaining the security of the equipment, including but not limited to the physical and network security elements of your device. You agree to cooperate with Crexendo to verify the proper network provisioning has been completed by your IT specialist prior to and during the service term.

If you use the service or devices in a way that is inconsistent with the service level that you contracted for you will then be subject, at Crexendo 's sole discretion, to termination, or to pay the rates for the service or plan that would apply to the way you used the service or device. Failure to contact Crexendo in response to its notifications and/or failure to promptly correct usage activity to conform to normal use will result, in Crexendo's sole discretion, in immediate mandatory transfer to another appropriate plan, or suspension or termination of service. You acknowledge that if your service is terminated under this provision, you are subject to all applicable disconnection and device or other rebate recovery charges. Crexendo's maintains the right to terminate your account for non-performance which will not release you from the remaining liability under your agreement.

4.2 SERVICES NOT SUPPORTED. Crexendo service does not support 0+ or operator-assisted calling, including, without limitation, collect calls, third party billing calls, 900/ 976 numbers, or calling card calls. However, if you are able to transfer a number it may be listed. Listing of telephone numbers in published directories is the responsibility of the directory publishers and Crexendo bears no responsibility for directory listings.

You acknowledge that our service may not be compatible with all non-voice communications equipment, including but not limited to, home security systems, TTY, medical monitoring equipment, satellite television systems, PBX, Centrex, other private telephone networks, or computer modems. You waive any claim against Crexendo for interference with or disruption to the operation of these services and equipment, as well as any claim that Crexendo is responsible for any disruption to your business, if applicable. Some providers of broadband service may provide modems that prevent the transmission of communications using our service. We do not warrant that our services will be compatible with all broadband services and expressly disclaim any express or implied warranties regarding the compatibility of our service with any particular broadband service. There may also be other services with which our service may be incompatible.

4.5 MUSIC ON HOLD. Your use of the Music on Hold Service ("Music on Hold") feature is governed by the Copyright provision (4.6)as well as the entire Terms of Service. Your using Music on Hold means that you agree to these Terms.

that the entire call is being recorded. If you use the "*73" command again during the call, the recording will stop. In the event you have activated "All Call Recording" calls for all or specified extensions will be automatically recorded, it is solely your obligation to confirm the legality of such use. You must abide by all applicable state, federal and international laws, rules and regulations regarding recording of calls. Leased phones will be used exclusively for our services. We make no warranty express or implied that purchased phones may be compatible with any other service provider.

10.9 IMPORT AND EXPORT COMPLIANCE. You agree to comply with U.S. export laws, and applicable import and export laws that may apply in your location(s), concerning the transmission of technical data and other regulated materials via the Services, including, without limitation, laws governing the import and export of encryption software.

11. SERVICE AS IS, DISCLAIMERS OF WARRANTY LIMITATIONS ON LIABILITIES

11.1 AS IS SERVICES. You agree that all our services including premium services which may be acquired from time to time, are provided "as is," except to the extent provided herein.

11.2 NO WARRANTIES ON SERVICE. We make no warranties, express or implied, including but not limited to, any implied warranties of merchantability, fitness of the service or device for a particular purpose, title or non-infringement or any warranty arising by usage of trade, course of dealing or course of performance. In addition, we do not warrant that the service or device will be without failure, delay, interruption, error, and omission, degradation of voice quality or loss of content, data, or information. Neither Crexendo nor its officers, directors, employees, affiliates or agents, or any other service provider or vendor who furnishes services, devices, or products to the customer for our service will be liable for unauthorized access to our or your transmission facilities or premises or equipment or for unauthorized access to, or alteration, theft, or destruction of, customer's data files, programs, procedures, or information through accident, fraudulent means, devices, or any other method, regardless of whether such damage occurs as a result of Crexendo's or its service providers' or vendors' negligence. Statements and descriptions concerning our service or device(s), if any, by Crexendo or Crexendo's agents or installers are informational and are not given as a warranty of any kind. We will not give you credit for any interruption of Crexendo service, including international calling services.

11.3 DISCLAIMER OF LIABILITY FOR DAMAGES. In no event will Crexendo, its officers, directors, employees, affiliates or agents or any other service provider who furnishes services or devices to you in connection with our service be liable for any damages, including but not limited to, personal injury, wrongful death, property damage, loss of data, loss of revenue or profits, or damages arising out of or in connection with the use or inability to use a device or the service, including inability to access emergency service personnel through the 911 dialing service or to obtain emergency help. These limitations apply to claims founded in breach of contract, breach of warranty, product liability, tort, and any and all other theories of liability. These limitations apply whether or not we were informed of the likelihood of any particular type of damages. *Some*

States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

11.4 DISCLAIMER OF 911 LIABILITIES. We disclaim all responsibility for the conduct of local emergency response centers and the national emergency calling center. We do not have any control over any local emergency response center. Therefore, we are not responsible for whether they answer calls using our 911 dialing service, how they answer these calls, or how they handle them. We rely on third parties to assist us in routing 911 dialing calls to local emergency response centers and to a national emergency calling center. We are neither liable nor responsible if the data used by a third party to route calls is incorrect or produces an erroneous result. Neither Crexendo nor its officers or employees may be held liable for any claim, damage, or loss, fine, penalty, cost, and expense (including, without limitation, attorney's fees) by, or on behalf of, you or any third party or user of our service, relating to our service, including, without limitation, 911 Dialing, or your device.

11.5 LIMITATION ON TOTAL LIABILITY. Our total liability under this agreement will not exceed the service charges for the affected time period. Crexendo will not be responsible for third party fees or charges, including but not limited to, banking fees, overdraft fees, cellular phone or other wireline charges, technician charges, or other similar charges.

12. INDEMNIFICATION AND WAIVER OF CLAIMS

12.1 INDEMNIFICATION. You shall defend, indemnify, and hold harmless Crexendo, its officers, directors, employees, affiliates and agents, and any other service provider who furnishes services to you for our service, from any and all claims, losses, damages, fines, penalties, costs, and expenses (including, without limitation, attorneys' fees) by, or on behalf of, you or any third party or user of our service, relating to our service, including, without limitation, 911 Dialing, or your device(s), or use of our service by you or others using your account (whether or not such usage is expressly authorized by you).

12.2 WAIVER OF CLAIM OR CAUSES OF ACTION. You waive all claims or causes of action arising from or relating to our 911 dialing service unless the claims or causes of action arise from our gross negligence, recklessness, or willful misconduct including the right to a jury trial and class action as detailed in Section 13.2.

12.3 CONTENT. You are liable for all liability that may arise from the content transmitted to any person, whether or not you authorize it, using your service or device(s). You promise that you and anyone who uses your service and all your and their content comply at all times with all laws, regulations, and written and electronic instructions for using our service and the device.

12.4 ACCOUNT INFORMATION. You are liable for all liability that may arise from your failure to provide true, accurate, current and complete information and to maintain and promptly update such information.

13. DISPUTE RESOLUTION AND BINDING ARBITRATION

It is important that you read this entire section carefully. This section provides for resolution of disputes through final and binding arbitration before a neutral arbitrator instead of in a court by a judge or jury.

13.1 ARBITRATION. Crexendo, its parent company, affiliates, assigns and successors and you agree to arbitrate any and all disputes and claims between you and Crexendo. You specifically waive any right to a trial by Jury or by Court. Arbitration includes all right in law or equity including but not limited to: disputes and claims arising out of or relating to any aspect of the relationship between you and Crexendo, fraud, misrepresentation or any other legal theory; disputes and claims that arose before this or any prior agreement (including, but not limited to, claims relating to advertising); disputes and claims that may arise after the termination of this agreement; disputes and claims that are currently the subject of individual litigation; disputes and claims which may be raised in class action litigation whether or not you are or waive your right to be a member of a certified class; and disputes and claims concerning the scope of this arbitration provision. References to "Crexendo," "us" and "you" include our respective subsidiaries, affiliates, agents, employees, predecessors in interest, successors and assigns, as well as all authorized or unauthorized users or beneficiaries of the service under this agreement or any prior agreements between you and Crexendo. The

arbitration shall be administered by the American Arbitration Association ("AAA"). The arbitration shall be governed by the AAA's Commercial Dispute Resolution Procedures. Those Rules may be found at www.adr.org or by calling the AAA at 1-800-778-7879. Unless you and Crexendo mutually agree otherwise, all hearings conducted as part of the arbitration shall take place at a location no further than 250 miles from the address where the Crexendo services were contracted.

13.2 WAIVER OF JURY TRIAL AND CLASS ACTION. You and Crexendo agree that, by entering into this agreement, you and Crexendo are waiving the right to a trial by jury. You and Crexendo agree that the arbitrator may award relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. You and Crexendo agree that you and Crexendo may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. You and Crexendo agree that, unless you and Crexendo agree otherwise, the arbitrator may not consolidate more than one person's or entity's claims, and may not otherwise preside over any form of a representative or class proceeding, notwithstanding any other provision in this agreement to the contrary.

13.3 TIME LIMITATION. You agree that regardless of any statute or law to the contrary, any suit or arbitration arising out of or related to use of the Services or the Agreement must be filed within one (1) year after the earlier of (a) when such claim or cause of action arose or (b) termination of Services to Customer or be forever barred.

14. MISCELLANEOUS TERMS

14.1 GOVERNING LAW. Unless otherwise required by Tariff this Agreement and the relationship between Customer and Crexendo shall be governed by the laws of the State of Arizona without regard to its conflict of law provisions and any applicable federal and international laws. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to the Agreement.

14.2 NO WAIVER OF RIGHTS. Our failure to exercise or enforce any right or provision of this agreement will not constitute a waiver of the right or provision. Crexendo reserves all of its rights at law and equity to proceed against anyone who uses its services or device illegally or improperly. All determinations by Crexendo under these Terms of Sale and exercise of its rights are made and done in our sole and absolute discretion.

14.3 CREDIT AND REPORTING. You authorize us to investigate and/or review your credit history, including requesting a report, both when you sign up for our service and at any time after you sign up, for any purpose, including, but not limited to, your initial qualification for an account, your continued compliance with the terms of your account and general customer based evaluation purposes not specifically associated with your account and to share credit information about you with credit reporting agencies. Upon your request we will inform you whether or not we have requested a report, and if a report was requested, the name and address of the consumer reporting agency that furnished the report.

14.4 PRIVACY. Crexendo uses, in whole or in part, the public Internet, the public switched telephone network, and third party networks to transmit voice and other communications. Crexendo is not liable for any lack of privacy which you may experience from using our service. Please refer to our Privacy Policy located at www.crexendo.com/privacy for additional information, such as how we use your information and how you can opt out of receiving marketing messaging.

14.5 CHANGES TO THE TERMS OF SERVICE. We may change the terms and conditions of this agreement from time to time. By subscribing to our service, you agree that we may provide to you by use of electronic communications required notices, agreements, and other information concerning Crexendo, including changes to this agreement. These changes will become binding on you on the date they are posted and we are not required to give you further notice in order for you to continue using our service. By continuing to use the service after revisions are in effect, you accept and agree to all revisions. If you do not agree to the changes, you must notify us within fifteen (15) days of the posted change.

14.6 SURVIVAL. The provisions of this agreement that by their sense and context are intended to survive the termination or expiration of this agreement shall survive.

14.7 ENTIRE AGREEMENT. This agreement, including any future modifications to its terms which are posted on our website, constitute the entire agreement between you and Crexendo. This agreement governs your use of our service, and the use of our services by you, your employees and guests. This agreement supersedes any prior agreements between you and Crexendo. It also supersedes all prior or contemporaneous statements, understandings, writings, commitments, or representations concerning its subject matter.

14.8 ADDENDUMS AND AMENDMENTS. Any addendum or amendments to the terms herein must be in writing and signed by a corporate officer of Crexendo to be effective. Any other change, amendment or addendum is deemed to be ineffective, invalid and of no effect.

14.9 SEVERABILITY. If any part of this agreement is legally declared invalid or unenforceable, all other parts of this agreement will remain valid and enforceable. This invalidity or non-enforceability will not invalidate or render unenforceable any other portion of this agreement.
